Dear donor,

27.04.21

Thank you for the generous donation of tools for TWAM. Our group are mostly members of Chichester Baptist Church and collect in excess of four tonnes of tools each year to send to our HQ in Ipswich, from where they are sent all over the world.

Your tools will go into our workshops to be refurbished and will soon be on their way to HQ where they are sorted into kits for the appropriate trades. After the eventual recipients have been taught to use them, they are given their kit, so they can set up on their own earning a living, feeding their families and often employing others as well. There are many heart warming stories received by TWAM some of which are in the newsletter.

On behalf of the many people who will eventually benefit from your generosity we offer you our sincere thanks for helping to transform their lives.

Yours faithfully
